Attention: Dennis German, President

Dear Dennis:

RE: Solar Project

Please be advised that Council of the Township of Southwold, at their Regular Meeting of Tuesday November 14th, 2017, passed the following resolution:

2017-361 German Solar Project

THAT Council continues to support the Proponent (German Solar Corporation) and acknowledges and agrees that the support of the Municipality for the duration of the agreement is paramount to the success of the German Solar Project;

AND FURTHER THAT staff be directed to communicate this support to inquiring residents;

AND FURTHER THAT Council does not support any efforts to further extend the REA consultation process;

AND FURTHER THAT staff communicates the requirements of the road occupancy permit and road user agreement and Site Plan Control process to the proponent.

CARRIED

I will contact you in the future to discuss the requirements of the road occupancy permit, road user agreement and the Site Plan Control process.

At this time, if you require anything further please contact me.

Yours truly,

Lisa Higgs
CAO/Clerk
